This is a fine medium deep ruffled yellow, lightly ruffled, heavy textured, grows 54", with 19 buds, 8 open, 6 in color, grand Exhibition or Commercial, but for our cut-flower trade, this one is tough, and can really stand a beating.

**ORANGE FLAME** (420) A brilliant flame orange, with creamy yellow throat, that hits you right in the eye. Grows 52", with a 20" flowerhead, ruffled, extra heavy texture, opens 7 in field, and can also stand handling, heat and drought, an all-around marvelous exhibition and commercial.
